A color photograph of a man and a woman in an intimate pose. The man, shirtless and wearing blue jeans, is leaning over a brick wall, performing oral sex on the woman. The woman, with curly hair and dark makeup, is leaning against the wall, looking down. The background is a brick wall with a black sign partially visible.

Versatile porn star Marc  
Wallice demonstrates how  
to give head. Watch this guy  
in action. After being in  
hundreds of X-rated films,  
he's learned how to turn  
ladies on.

The lascivious starlet impaled on his doppelganger: "Marc turned me on from the start. It's not just the way he ate me out," confesses his co-star. "It's the fact that he's cute and has a big dick that really gets me wet!"

"I'd work with Marc again  
any day," our beautiful com-  
petitor gushes. "And I'll  
be with him any night!  
He's practically the hottest  
man I've ever had. That's  
because he's so..."

# HUNKY HUMP

"Wow! Was I excited when I checked out my co-star for the shooting that day. This stud was hot! And he had a rod-on for me from the first second I walked onto the set. Just looking at him made my off-pur."

A close-up photograph of a man and a woman in an intimate pose. The man, with dark hair and a beard, is shirtless and has his arm around the woman. The woman, with dark hair, is wearing a dark top and red lingerie. They are both looking towards the camera with their eyes closed. The background is a plain, light-colored wall.

"When a guy is good looking, it makes all the difference to me. And this one was a hunk. I devoured his thick joint with relish when it came time for the big blow job scene. I wanted this man to remember my mouth."

"I could tell when he was going to cum. His cock stiffened up even more. I could almost smell cum in the air, even before he shot. Reluctantly I pulled my lips away from his hot dick. I wanted to swallow his fluid, but they wanted the cum shot on film."

# NIPPLE HEAVEN

"But I prefer to cum while getting fucked in the ass by some hot young pony-hustler. There is no substitute for hard sex with a big dick. Even if I don't cum, I love to scrape."

"I think that women who don't know their guys are selfish. Learning how to give head isn't hard, and men value good blow jobs so much. Besides, once you know how to do it, it's fun!"

"I like to give head as well as receive it, especially if the man I'm doing has a beautiful cock. I can't stand wimpy dicks. I have big dicks that stay hard for hours best of all."

"It's so hot to watch a guy shoot a big cum load after I've given him head. It's a tribute to my cocksucking skill. And I love knowing that I've given him as much pleasure as he's given me."
